Q # 1

a.

Me and my family visited last night 24th July 2020 at your ^{XYZ} restaurant. The experience was quite down as we expected. First of all, the waiter John was not enough conversational skills which is required. Then, additionally, food was missing the taste it had previously. This time the quality food and environment was not at the level as promised in advertisement.

Q # 2.

A.

Answer: Age doesnot matter while on the work. What matter is the potential and hardwork of employee. The more you work, the more you succeed. As you can see from my resume, I have the required experience which is necessary for this job position. I have the best skill necessary

Q #5

Everyone wants to be happy but few associate it with money however it cannot buy happiness. Some do social comparison to become happy but still it lack. People also refer happiness with integrity but they still remain unhappier. The only thing that benefits is to apply social rules which enhance the happiness.

Q #6

Hello everyone! In today's speech we will learn how we can reach the best eating place in our city via home. So, I hope you will follow up my instruction clearly and understand it clearly.

First of all you must have a cell phone having internet connection which will guide you your way. Connect your cell phone with internet by enabling data connection bar in settings.

After that, open google maps application on your mobile phones. In the search bar just type restaurant and click
